Dear Adm. Turner:

We are now compiling information for the 17th edition of our Advance Locator. This pre-publication supplement to the Congressional Staff Directory is scheduled for distribution in mid-January.

Enclosed for your review is a copy of the listing for your department as it appeared in the 1978 Election Index. Will you please have one of your aides look it over and make any appropriate changes. Feel free to add any offices or personnel who are most frequently contacted by the Hill, other governmental agencies or departments, or the public. We are anxious to have the listing for your department exactly as you wish it.

Please return your updated listing as soon as possible. If you have additional changes after returning the form, call Bobbie, Betty or Ann in our editorial office at 836-7500. We will be able to make changes for the Advance Locator until Jan. 5, 1979. You will be given an opportunity to update this listing for publication in the 1979 Congressional Staff Directory scheduled for release in April.

As a result of the cooperation of our friends in the Government and on the Hill, our directory has grown until it is now recognized as an authority and used widely by government, the legal profession, industry, radio, TV, the press and colleges. More than 8,000 libraries now make this directory available to readers as a reference.

Thank you for your help and cooperation.

Sincerely,

Charles B. Brownson
